

**For 6"x9"  
Size Planner**

A vertical template for a 6x9 size planner. At the top, there is a grey tab with two white sections, each labeled 'JAN'. Below this, the months FEB, MAR, APR, MAY, JUN, JUL, AUG, SEP, OCT, NOV, and DEC are listed vertically. Each month label is followed by a horizontal line that serves as a guide for where to place the corresponding month's tab.

**For 5"x8"  
Size Planner**

A vertical template for a 5x8 size planner. At the top, there is a grey tab with two white sections, each labeled 'JAN'. Below this, the months FEB, MAR, APR, MAY, JUN, JUL, AUG, SEP, OCT, NOV, and DEC are listed vertically. Each month label is followed by a horizontal line that serves as a guide for where to place the corresponding month's tab.

**DIRECTIONS**

1. Print this page at 100% size. Do not "fit to page".
2. Cut out dotted line template for your size planner.
3. Align template on top of planner page.
4. Place January sticker tab first, aligning to top edge of planner page. White portion should stick to page, color portion hangs over edge. Fold over and press to seal.
5. Place top edge of each following tab at the labeled black line for that month.

**\*Note: 6x9 size tabs will align perfectly edge to edge. 5x8 size tabs will overlap each other slightly.**
